Subject: ROHR ALERT: RETURN FROM HOLIDAY NOTICE

This is a brief reminder that we have just returned this morning from our singular holiday break of the year. We hope that your holidays were very enjoyable, and once again... Wish You All the Best for a Very Healthy and Successful New Year.

We are assessing the markets and politico-economic background in preparation for our first Rohr ALERT!! of 2017 on Wednesday morning. Not just the US equities but also many other markets have seen very interesting movements over the holiday period. Some of those were influenced by technical conditions such as significant portfolio rebalancing requirements and other factors.

As such, we feel it is necessary to allow for one day to assess any reaction countering those technical adjustments and the full involvement by all participants to properly review the future potentials. We appreciate your forbearance on this minor pause on the way into 2017.

Best regards,

The Rohr Alert!! Team
