Subject: ROHR-BLOG: QUICK NOTE: Previous Monday Emailed Research Note Reminder

[View this email in your browser](#)

Dear Subscribers,

We are coming to you quite a bit earlier than usual today with just a quick note to remind you that our Monday emailed research note was actually sent into midday (US Central Daylight Time) on Sunday.

This ‘Curiouser and Curiouser and Curiouser’ assessment was sent earlier than usual due to some (as the title suggests) atypical developments in the US equities trend, especially when compared to other asset classes. That seemed to require a bit more consideration than sending it early this morning might have allowed.

Any of you who did not open it should be receiving a repeat distribution shortly.
