[View this email in your browser](#)

Dear Subscribers,

Today is the US Martin Luther King, Jr. Day Holiday closure of all markets. We wish our US clients a Happy MLK Day.

With the US out and light data elsewhere (including the PBoC holding its base rate steady at 4.15%), global markets are very quiet. As such, we have decided to also observe the holiday by taking the day off. We will be returning Tuesday morning with the next full update of our fundamental 'macro' assessment and Evolutionary Trend View of the markets.

In the meantime, all markets are still conforming to the assessment in Friday's 'US Equities Jailbreak' research note. We refer anyone who is interested in market views back to that for both the background and specific market insights.

Thanks for your interest-
