Subject: ROHR NOTICE: HOLIDAY TODAY

This is a brief reminder that we are out of the office today for the US Washington's Birthday/Presidents' Day Holiday, where all trading floors (even including the New York Stock Exchange) are Closed for that observation.

Happy Holiday to all of our US clients.

And with the modest electronic trading gains so far this morning in the US equities, all of the analysis remains consistent with last Friday's ROHR Alert!! Please refer back to that for the analysis of how they have consistently overrun key weekly Oscillator resistance over the past week-and-a-half, once again opening the door to further gains in spite of the extended nature of the reinvigorated rally over the past two weeks.

The key risk factor is whether the March S&P 500 future can maintain its rally from no worse than around last week's Close (i.e. no lower than the overrun 2,340-45 Oscillator threshold.)

We will be back in the office Tuesday morning with a fresh ROHR Alert!! for your review on the current conditions.

Best regards,

The Rohr Alert!! Team
